

Women Under Forty PAC Candidate Endorsement Application

WUFPAC is a non-partisan organization that supports young women running for elected office. Our application below aims to give our Board of Directors a sense of your background, viability and leadership perspective. While we do not make endorsement decisions based on political ideology, we do want to see that you are running a legitimate campaign for elected office and that you have shown a commitment to helping other young women to become leaders and succeed.

WUFPAC believes that candidates have a responsibility to provide voters with truthful and ethical campaigns for public office.
